6. It was resolved that the plan of action from the previous academic year had been executed. Several construction initiatives were planned for the ongoing academic year, including the construction of a new science building and a seminar room on the old building's rooftop, as well as building a boundary wall around the field for renting out purposes. Additionally, ensuring the availability of safe drinking water on the premises and implementing measures for water conservation were prioritized. Faculty participation in various development programs such as refresher courses, orientation programs, and workshops was also encouraged.
7. In the miscellaneous section, it was reported that Kingshuk Choudhury, an Associate Professor in the Department of Commerce, was invited as the Chairperson at an international seminar on Sustainable Entrepreneurship held in two sessions on July 16th and July 23rd, 2022, at Netaji Nagar College. This seminar was jointly organized by various entities under the MoU signed between the two colleges, and Kingshuk Choudhury's participation was commended by our college.
