Student Feedback Analysis 2018-19

In the month of February 2019, Sonarpur Mahavidyalaya conducted a thorough feedback survey encompassing both general and honours course students totaling 643 respondents. The analysis of the feedback yielded positive results, indicating a strong satisfaction level among students. They particularly praised the punctuality and consistency of classes, as well as the commendable discipline upheld within the institution. Furthermore, students expressed satisfaction with the communication abilities and depth of knowledge exhibited by the teaching staff, which undoubtedly enhanced their overall experience during the first semester at Sonarpur Mahavidyalaya.
